great job Lauren. For NY guy, I vote for you and cornelis at meeting --  
he obviously likes you and no reason to mess that up. cornelis knows how  
to bring in help if he needs to.

coverage

Dear all,

Received a call from KBC Structured Products in NY today, Joe MacLean  
Senior VP. He was interested in Sentry Select - I informed him it was  
closed (share distribution, etc.) but that it would be possible to  
create the same fund by investing the same percentages in the underlying  
funds (80/20). He was very eager to explore that option and wanted to  
set up a meeting with Kim and Eric and conference call with Amit as soon  
as possible next week.

Here's the kicker ... he said he would have upwards of \$20mm to invest!  
Cornelis is the RM for KBC but there is no agent in contact with the NY  
office. Philip, Santiago and Richard all have contacts in Europe.

I assume we want Cornelis to take the meeting and to coordinate the  
relationship in NY, but please let me know if this should be otherwise,  
ie: a Jeffrey, Rob meeting or all of you (JT, RB, CB).

Per below, he would like any investment credited to me(!)

Thx,

Lauren

Hi Lauren:

Through my own research. So you should get the credit if we invest.
